

100 MIDDLEFIELD

101 FOREST

INDUSTRIAL

From build-to-suit commercial flexspace and multi-tenant office condominiums to tilt-ups and warehouses, no two projects are alike! Owners, tenants and national industrial developers depend on our team of experts to turn their vision into a reality by continually exceeding expectations, adhering to city requirements and having the flexibility to work within the constraints of any budget. Our full-service approach enables us to assist clients with design and construction concerns early enough in the process to provide the most effective manufacturing and office space structures possible.
