

PROJECT SUMMARY

The expansion provides a pre-existing hotel with 21 extra rooms and ground level parking, as well as a new laundry and facility maintenance room in the basement. Each room is fully-equipped with functional furnishings and décor, modern finishes, flat-screen TVs, microwaves, minifridges and coffeemakers. Suites have additional living space with pull-out sofas. The bathrooms and main hallway corridor are adorned with high-end wall coverings.

Hampton Inn & Suites
