

PROJECT SUMMARY

Construction of a new three-story Class A+ building featuring 25,700 square feet of office space spanning two floors, 66 on-site secured parking spaces with AV charging stations, a grand lobby and a 4,300 square foot private roof deck with 11 additional outdoor decks throughout. Located at the heart of Downtown Burlingame and directly across from CalTrain, this fully entitled development provides ample opportunity for large firms seeking premium space.
